

PROFILE OF A FEMALE CAR ENTHUSIAST

# WONG SIEW LEE

Siew Lee grew up in an environment surrounded with cars; started work at her father's car battery shop at the age of 13 where she was probably the only female mechanic in the business. Later, together with her 2 brothers, she set up what is today, *Fong Mui Garage R Trading*, or commonly known as, *Garage R*. Now 39, Siew Lee owns a used car dealership, *Garage R Automotive Trading* and has recently expanded her
