# DIAL FOR SPEED!

Enthusiastic Mazda fans, your long and grueling wait is finally over! 10 years after the launch of the hyper-successful third generation FD-series Mazda RX-7, Singapore has just received its very first all-new four-door four-seater RX-8 Type-S. Powered by Mazda's next-generation rotary 'RENESESIS' engine, this piece of optical artistry aims to please with an eager 250bhp under the bonnet and a smooth 6-speed tranny. This is certainly one super serious zoom-zoom...
